On Thursday 31st October 2013, the **Accounting Students Association (ASA)** held a very successful and benevolent workshop at the school of Business, a spacious and modern Lecture Theater (LT). It was a day of its own as students from the school of Business (Lower Kabete) confluenced with delegates from Kenyatta university and KCA university for a common purpose - hearing and grasping first-hand information from business moguls in the corporate, without mentioning other speakers who had undying passion for entrepreneurship and have really scaled the heights of business ladder.

The key speakers were: Dr. Bitange Ndemo (don at uon-school of b/s), Peter Muraya (CEO-Suraya inv.grp), Gor Semelangø (CEO-Youth Enterprise Development Fund) and Michael Muthiga (Fatboys Animations).

Thanks ASA; Thanks administration for your continued support.
