

Graduation Ceremony of Kenya Science Campus Nursery, Pre-unit Class of 2015.

Teacher [Rose Kagwiria Kaburu](#), the Headmistress, Kenya Science Campus Nursery School addressing the guest in the pre-unit class for 2015 graduation ceremony on 4<sup>th</sup> November 2015.

A total of 55 children graduated from pre-unit class ready to join class one. They have been presented with learning opportunities that enhances classroom control, sit and concentrate, identify subjects and are now more independent.

Some of the children have been in the system for as long as four years. The headmistress pointed out the importance of childhood stage for human development. As an age of innocence children should be left to be children and should not be hurried to grow up. She insisted that children programs need to be holistic and child friendly.
