

Environmental and Biosystems Engineering Students Association (EBESA) in collaboration with the EBE, organised a career talk on 6th November, 2015 in Upper Kabete (VetLab 4 lecture theater). Speakers at the event were, Dr. George Mwaniki (UNEP), Vitalis Too (Lake Turkana Wind Power Company), Ms. Dorcas Nduge (staff EBE) and Mr. Peter Kimani (staff EBE).

Also In Attendance (Staff) were EBESA patron Dr. Waweru Muthumbi and Dr. Duncan Mbuge

The presentations were on:

- Entrepreneurship in Engineering
- Transition from Student life to the Job Market
- Challenges of Practicing Engineering without Accreditation
- Professional and Complementary courses for engineers
