

TREE PLANTING IN KIBWEZI UNIVERSITY FARM ON 14TH NOVEMBER 2015

This event was a success, over 60 students from CAVS accompanied by the Chairman, Tree Planting Committee, Prof. G. Kironchi, the College Registrar, Mrs. Ngunga and other staff members participated in planting over 1000 seedlings in Kibwezi farm, University of Nairobi. The students who spent the weekend at the University Farm were from various disciplines under the leadership of SONU, KCUSO and NUASA officials.

In addition Wakhu Silvester, Kilonzi Emily, Cherwon Abraham and Cherop Sylvia pursuing BVM did a commendable job in assisting Dr. Kirui to treat the University livestock their effort and willingness is highly appreciated.
