The College Principal received an award from Osman Memisbey of Anatolia Consultancy. Mr. Osman is the Exchange Programme coordinator. The award is an appreciation of the excellent students exchange programme run by the College.

The College of Education and External Studies, School of Education has been accepting Turkish students since 2009 where the school admitted the first 5 students. Since then, the number has steadily increased, this year 16 students registered for the Bachelor in Education Programme and 1 for Masters in Education. Current statistics shows a total of 35 Turkish students have enrolled in the School of Education. Here is a breakdown: 1st years 16 students, 2nd year 6, 3rd year 6 and 4th year 6 and 1 Masters

Students in this programme study both in regular and evening programmes
