The DVC Student Affairs, Prof. Isaac Mbeche chairs a consultative meeting between Kenya Science Management and Student Welfare Authority (SWA) Management on matters concerning the student welfare in the Campus.

**Story:**

The main agenda was to address the issues of water shortage in the campus.

Speaking at the meeting the DVC SA assured members that the water issues of the Campus will be dealt with urgently. He also informed members that funds have been set aside to address other issues in the Halls of Residence and the Kitchen.

The student Leadership present was asked to sensitize the rest of the student body on the need of their cooperation with the Administration. That it was also necessary for the student to act responsibly during their stay for the University to release full benefits.

After the meeting the DVC toured the Student Halls of residence and the Kitchen for a practical observation on the status of the Campus.
