

Chairman Meets EBESA Team Over Planning of the 2013/2014 Academic Calendar

The Chairman and the Chief Technologist met with EBESA Team on 18th September 2013 at Chairmans' office, Main Campus.

Environmental and Biosystems Engineering Students Association (EBESA) team in a Meeting With the Chairman and the Chief Technologist.

Issues raised and discussed in the meeting include;

- Engineering Board of Kenya (ERB) and the Professional Engineers.
- Calendar of Events in the Department and University at large during the 2013/2014 Academic Calendar.
- Rapid Result Initiative (RRI), Performance Contract (PC) and ISO.
- Teaching.
- Academic Trips for the year
- Industrial Attachment.
- ICT

Also, the current 5th year students were so impressed by the follow-ups and evaluations done by members of staff during their fourth year attachment period.
